Valve Sales and Service

Authorized "Green Tag Center"
Sect I & Sect VIII safety valves
Pilot operated and spring loaded
Sizes 1/2" to 24"; 150# - 4500#

Gate, globe, and check valves
150# - 600#, flanged, BW, & NPT
Carbon steel, Iron, Bronze
800# Forged Steel Valves, SW & NPT

Metal Seated ball valves
Bubble tight, zero leakage
Sizes 1/2" to 36", 150# - 4500#

Gate, globe, and check valves
150# - 600#, Flanged, NPT
Stainless Steel

3-piece and 2-piece ball valves
V-Port control ball, Diverting,
High pressure, Cryogenic,
Pharma clean valves

Resilient seated butterfly valves
Wafer, Lug, Double Flange
Iron body, SS and Albr discs
Manual and automated, control

Dual Wafer Check Valve
CS, SS, Metal seat, soft seat

High Performane Butterfly Valve
Carbon steel and stainless steel
RTFE seat, Metal Seat, Fire Safe
Lug, Wafer, Automated, Control

Teflon-lined butterfly valve
Teflon-lined ball valve
Sample Valve

Pressure seal gate, globe and check
WCB, WC9, C12A
Flex wedge, Parallel Slide

Diaphragm Valves
Rubber lined, Plastic lined

FKX9000 Triple Offset Butterfly Valve
Carbon steel, Stainless Steel, Others
3" - 48", 150# - 300#, -76F to 1022 F

Bellows-seal Globe Valves
Change-Over Valve
1/2" - 24", 150# - 2500#

Regulators for steam, air, & water
Steam traps
Liquid drainers & Condensate pumps

AWWA butterfly valves
4" - 108"

Custom Control Valves and Automated Packages
"VR" Repair Shop. Control Valve repair.

Forged Steel globe valve
Throttling Valves

Actuation and Controls

Pneumatic quarter-turn actuators
Electric quarter-turn actuators
Manual Override

Electric linear actuators for gate & globe
Electric quarter-turn actuators
Smart actuators and controls

3-way & 4-way solenoid valves
Temperature & Pressure switches

Manual Gear Operators

Aquarian Products
Drum Level Probe Indication
TWIP and Drip Leg Controls
Bi-Color water level visual gauge

Limit switches and Beacons
Positioners: 3-15psi, 4-20ma, HART
ASI, Profibus, Fieldbus

Gauges, Thermometers, Sensors
